Safety Cabinets

Flammable

Our safety yellow ventilated cabinet (Part No. CAB-F) is a secure, highly visible cabinet designed specifically to store flammable substances.

Features:

- With the bright safety yellow color and clear signage it is an optimal cabinet for easily distinguishable, safe storage in the metallographic lab
- Additional security provided by the lock and key

Chemical

Our safety blue ventilated cabinet (Part No. CAB-C) is designed for safe storage of chemicals.

Features:

- Clearly signed and colored
- Lock and key safety feature
